**COMMUNITY SERVICES REPORT**

**Karen Whedon**

The Canned Food drive for the CNYFoodBank will continue once we get back to a regular routine. They need our help more than ever as their supplies are being depleted with this COVID-19 pandemic as they try to help even more people. Every donation is greatly appreciated. Please keep remembering those who are less fortunate.

If you know of someone in your neighborhood that is elderly or alone, why not take the time to knock on their door, just say HI, ask them if they need anything, and simply reassure them that they are not forgotten. You can still maintain social distancing and yet make someone’s day a bit brighter.

On a lighter note, I will be searching for some new volunteer opportunities for the future and there will probably be a lot of ways we will can

help to get life back to normal after this pandemic is over.

If anyone has a suggestion or idea, please contact me and I will check into it.
