

REMINDER

If you are a PHD Winter Storage customer, please remember to call us one week prior to scheduling your bike for pick up. This gives us time to check your battery, do a charging system test and put on a fresh NYS inspection sticker. Also, this is the perfect time to add some customization to your ride while it's still in our care!

Featuring a Live Exhaust Demonstration and ideas on how you can express your unique style this season with new Harley-Davidson® MotorClothes® apparel, parts and accessories. **Seating is limited, so Register Today by email at: Lisa.C@PerformanceHD.com or call Lisa at 315-471-1157 x127.**
